

Memo from: River Club Board

10/12/2020

Cindy Orr resigned recently; and after an Executive Board Meeting, John Mears, President, was authorized to negotiate an agreement with Park Place Property Management .

We appreciate Cindy's work the past 3 years and her cooperation in the transition.

The agreement negotiated with Park Place Property Management is for a 90 day trial period with a proposed renewal for a year. This topic will be discussed at the Friday, October 16th Board Meeting.
