

Proxy Vote for River Club Documents

This project started with the objective to consolidate the many amendments to the documents last done in 2001, especially the exhibits and attachments that are referenced.

To create a complete set of condo docs, all documents, exhibits, and attachments were compiled, scanned for text, and recompiled. All amendments since 2001 were placed within perspective documents.

The goal is to have a complete set of accurate condo documents, and to add/update some of the specific statements to allow a modern way of communication via email and electronic features.

Please review the “Summary of Changes” for the By-Laws, Articles of Incorporation, and the Declaration. If you have any questions, we want to hear from you and answer any of your concerns. Your understanding of the Documents is very important to you and the Community.

Jon Korda (207)229-8816 will be glad to help with the understanding of any of the proposed changes or the process being used. For those in residence, Karen Vertesch, Association Secretary, will be able to assist you.

We need your Proxy vote by the Members’ Meeting of September 15th at 6:30 p.m. at the Clubhouse for a quorum and the tally vote.

Thank you for your immediate attention.
