

RIVER CLUB OF MARTIN COUNTY, INC.

LANDSCAPE WORK ORDER

For Shrubs and Plantings Around Building Common Areas

Owner(s):

Building:

Unit:

Date:

Work Requested:

Reason for Request:

Ground Maintenance Required? (sprinkler, drip line, sod repair etc):

A completed work order is required for any planting or removal of trees, plants and shrubs in all common areas of River Club. The Owner/Applicant or any person that performs the planting should take care not to damage any underground services during the planting. Should any damage occur, the Owner/Applicant would be responsible for the repair. **Please inquire at the office or view on the website rcmcowners.org for planting guide prior to submitting this application.**

Is/are the plant(s) requested on River Club's Approved Plant List?

PLEASE attach a sketch of where and the number of the plants/shrubs requested to be installed (if applicable).
