

River Club Notice

By now, I'm sure you're all very familiar with the Coronavirus and the impacts it's had on our world. During this public health crisis, the safety of the residents and employees in our community is our first priority. In order to ensure that we are doing what we can to mitigate the potential spread of this virus in our community, we will implement the following temporary rules/regulations immediately:

- Please notify the Club Office if you are sick, quarantined or have traveled internationally in the last month and have had a service representative visit or a board member inspection during that period.
- Please limit visits to the Club Office by contacting us via phone (772.334.8585) or email at riverclubofmartincounty@gmail.com.
- Please do not visit the Club Office if you are sick, quarantined or have traveled internationally in the last month.
- Please utilize the mail slot to the entrance of the Club Office for maintenance payments and paperwork.
- It is recommended that all rentals, gatherings and meetings using the Clubhouse be suspended until further notice.
- The Clubhouse common areas, fitness room, game room and pool will remain open. It is up to the residents of the River Club to use their judgement as to whether they want to use these facilities.

Please be considerate of each other and practice healthy habits.

Thank You,
River Club of Martin County Board of Directors
